### Microbiological Laboratory Test Report

|                         |                                        |                             |             |
|-------------------------|----------------------------------------|-----------------------------|-------------|
| Sample ID:              | 205637                                 | Date of Report Issuance:    | 2 Apr 2026  |
| Name:                   | Diabetic Flour                         | Limit/Cut-off value:        | 5 PPM       |
| Category:               | Product                                | Sampling date Lab:          | 2 Apr 2026  |
| Production Location:    | Factory                                | Test Date:                  | 2 Apr 2026  |
| Temperature Conditions: | 25-30 ± 3 C°                           | Sample Size:                | 1 kg        |
| Humidity Conditions:    | 40-60 %                                | Product Batch Number:       | 2026F1139   |
| Test Kit Lot:           | 1000091742                             | Product Manufacturing Date: | 17 Mar 2026 |
| Test method:            | Gluten G12 rapid test kit - LFD method | Product Expiry Date:        | 17 Mar 2026 |
|                         |                                        | Sample Specification Group: | Flours      |

| Sr. No | Parameter | Method                    | LOQ   | UOM | Result | Remarks                             |
|--------|-----------|---------------------------|-------|-----|--------|-------------------------------------|
| 1      | Gluten    | Gluten G12 Rapid Test Kit | 5 PPM | PPM | Absent | A very faint test line was observed |

Note: UoM = unit of measurement, ppm = parts per million

#### Evidence Photos:

**Comments/Remarks:** No colour line was observed on the test strip. This indicates that gluten was not detected in the sample and is below the cut-off value of 5 ppm

**Analysed by:** Microbiologist  
Muhammad Ammar

**Verified by:** Managing Director & Food Safety Head  
Sudais Asif

**Head office:** 272/H2 opposite Emporium Mall Gate #1, Johar Town, Lahore  
**Factory:** Muzamal Town opposite Police Training College, Chung, Lahore
